# Celebrate Texas!

The great sesquicentennial celebration made 1986 a special year for all Texans.

It marked the 150th anniversary of Texas' "birth": independence from the tyranny of Santa Anna and Mexico.

1986 was also a year of birthday beginnings for Chapel Hill High School: a year of physical and mental rejuvenation.

It marked the first year students were finally to occupy a beautiful new multi-million-dollar facility.

New leadership came under Principal Jerry Hardy.

Students took on new attitudes and ambitions that led to a turnaround in athletics (the first football victory in three seasons) and an increased commitment to academics (district UIL literary champions for the third consecutive year).

Chapel Hill takes its place in the celebration of Texas pride and spirit.

We have only just begun.

**WAGONS HOT** En route around the state, the 150-member wagon train made one rest stop near Tyler.

# PHYSICS: EGG DROPPERS' HALL OF FAME

## EGG-citing EGGs-periments

Hershal Wheat's physics classes have participated in an annual experiment begun at M.I.T. — the engineering and construction of egg carriers to withstand a 40-ft. fall.

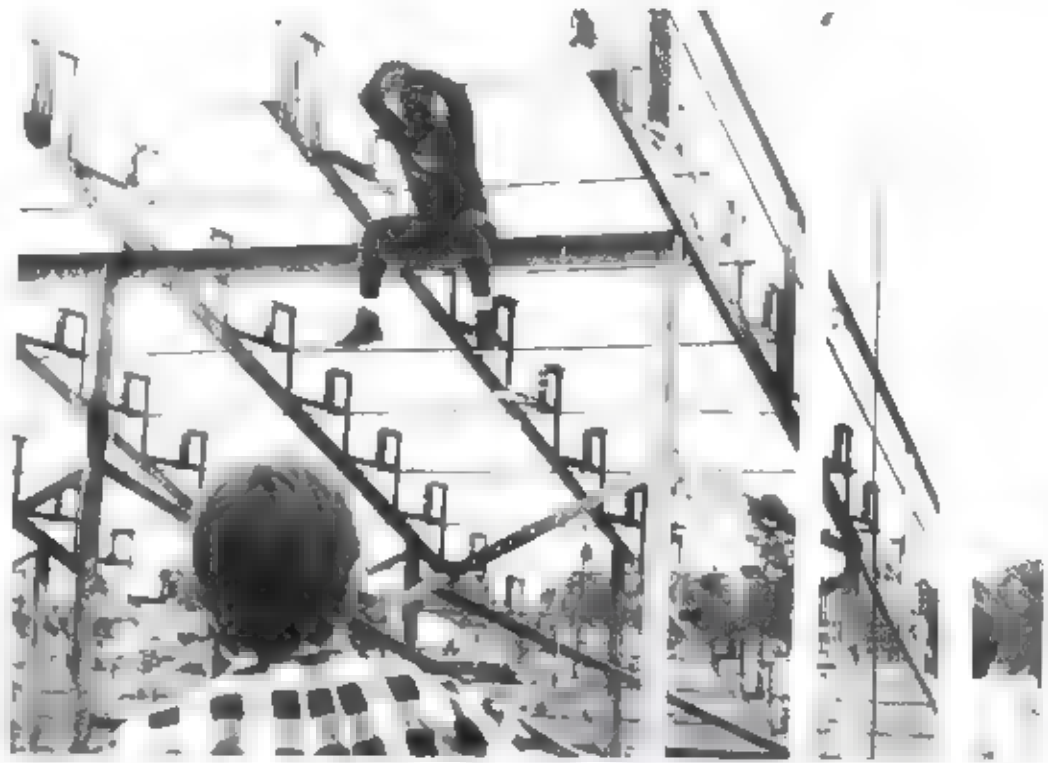

All entries must meet the following requirements:

1. They can be made of wood or aluminum
2. No paper or plastic products can be used in construction.
3. The building materials must be made of strips no wider than 1 inch.
4. Tape can only be used at the joints for construction.
5. Dowel rods, 4 rubber bands, and string can be used.
6. The strips of building materials must be separated by a  $\frac{1}{2}$  inch space, except at the joints.
7. The strips may not be attached without  $\frac{1}{2}$  inch separation of the crossed strips.
9. The structure must be dropped, and the egg must be suspended 5 inches below the structure when dropped.
10. The object is to build a structure to suspend an egg from breaking when dropped

Mike Sellers displays his Chinese Star with optimal wind flaps.

Sam Castleberry braves gusty winds to arrange each drop.

Scott Green looks on in sheer terror as Reginald Bush lets tangled louvers fall from the stands.

As construction and repairs continue John Busbee works to launch his craft. Winners of the physics egg-drop were John Busbee and Rush Shirley.

# Presidential Classroom Lives!

America as a melting pot of cultures was rediscovered by four Chapel Hill High School students who participated in Presidential Classroom: John Busbee, Deon Norris, Kim Tabb, and Deanna Wright agree that their trip to Washington, D.C., February 10-14, was a memorable experience.

Thirty-seven states and about five other countries including Hong Kong and Puerto Rico were represented during this one week.

The week was full of seminars, crossfires, and lots of sightseeing. The group visited the Lincoln and Jefferson Memorials, the Vietnam Memorial and a very unusual statue called "The Awakening."

During the seminars, the students met with the Ambassador of Lebanon, an MCI executive, and Senator Strom Thurmond from South Carolina, and numerous other dignitaries.

Two days spent on Capitol Hill were especially enjoyable ones. The four met with Ralph Hall's assistants and also met in Lloyd Bentsen's and Phil Gramm's offices. The cold days and "millions of steps" did not stop Presidential Classroom. It snowed for two days and was 15 degrees all day on Valentine's Day. On this very cold day, nearly 400 students attended a wreath-laying ceremony at Arlington Cemetery at the Tomb of the Unknown Soldier.

"I received a strong foundation in the nation's issues," Busbee said. Tabb added, "Our trip to Washington will remain in our memories forever."

**FUTURE PRESIDENTS:** Let me in on this picture, says Kim Tabb to John Busbee and Deon Norris.

"We are very proud of our athletes here at  
Chapel Hill. Through F.C.A. our athletes have  
grown spiritually, which in turn gives them a  
better overall attitude towards school and  
home.

"I have seen many members turn their lives  
around through F.C.A. With the drug and  
alcohol problems, sexual lust in this world,  
and the many abuses that take part in our  
athletes' lives, they need someone to go to.

"I am very proud of being a part of the  
school these last 2 years. I have seen F.C.A.  
grow from 7 in the first meeting to as many as

Providing an opportunity for creative writers to express themselves, Writers' Club made its debut on the club scene.

Sponsored by Dottie Roark, the club was designed to help writers learn new techniques and deal with constructive criticism.

Writers were informed about literary competitions and began working on a literary magazine.

At Christmas, two members, Becky Harris and Debra Stuart, read original stories to some elementary classes. Members enjoyed one meeting at Swayze's. Headed by Lissa Domain as chairperson, the board of directors included Becky Harris, Melvin Williams, Kelly Johnson, Terri Green, Mary Harris, and Kandi Crawford.

# YEARBOOK

**SURGEON GENERAL'S WARNING:** Putting a yearbook together can be hazardous to your mental health, as Eddie Francis and Melissa Loomis testify.

The yearbook staff took some unique approaches to sales this year.

One was a decision to copy the success of the worthy Live-Aid campaign with their own "Book Aid." Staff members recorded their own version of "We are the Staff," with such memorable lyrics as "You have the money. We know you've got it. We see you eating pizza at the mall on weekends."

Members hosted a Valentine's Party at lunch to thank those who bought books.

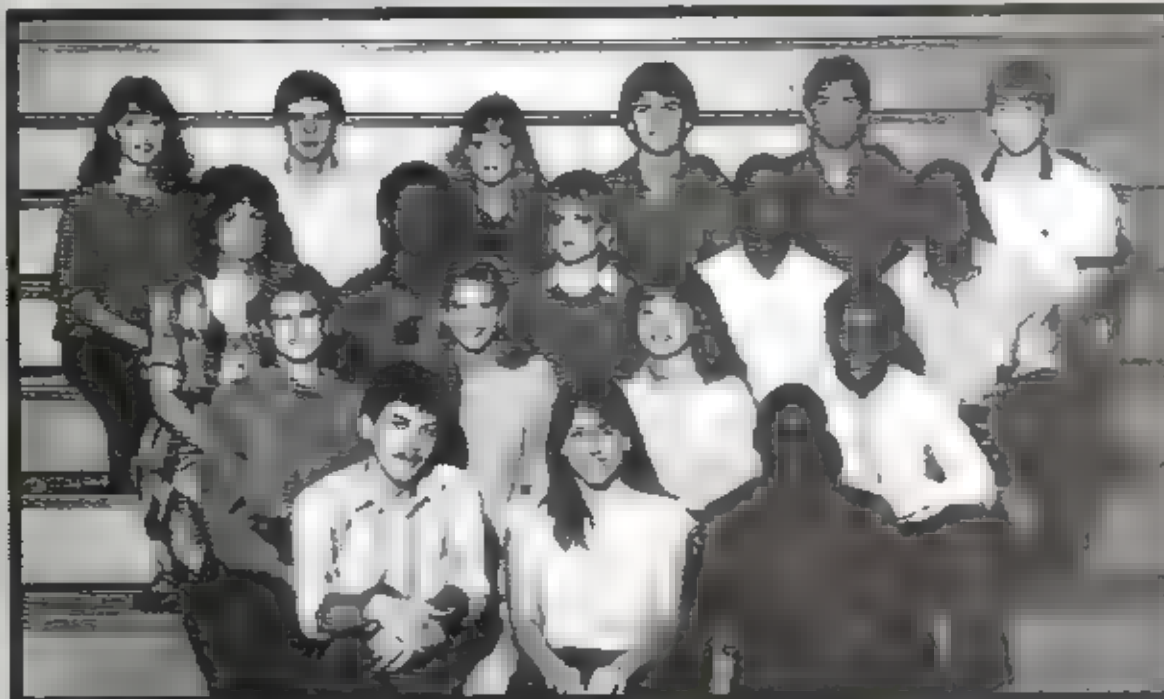

They took a tour of Taylor Publishing Company in Dallas and were treated to lunch at Bennigan's in the Galleria.

A new director, confined practicing facilities, and no-pass no-play were all new to the band this year, but as director John Standridge said, "Even considering the extreme problems during football season, the students excelled."

"The color guard is the best I've seen," Standridge said. The flag corps received a first-division rating in Group Flag competition in Tatum. Nicole Robinson and April Sanders also received "1 Plus" trophies for solo flag competition.

Standridge said that he was pleased with the performance this year and that the band is "planning for the future."

What does the future hold? For the band members the future is set on a course called the "right track."

# FRESH. CO-CHAMPS

"Our football year was a nice one but it could have been better. We lost to teams due to lack of team spirit. We started out on a loss, a tie, and then we got on the winning track. ## VARSITY FOOTBALL

The varsity football team has achieved success this season, by finishing with a surprising 5-5 record. Hard work and the will to accomplish something that people said couldn't be done played a major role.

Achieving success is just what they did by upsetting some of the best teams in their zone. For the most part the Bulldogs played as a team, and not as individuals.

Playing together, winning together, and losing together summarizes how the BULLDOGS became one of the best teams in their zone (8-4A). They came a long way from being just another team in the zone by playing to perfection in crucial situations.

The motto that inspired these FIGHTING BULLDOGS was to "NEVER, NEVER, NEVER . . . GIVE UP!" and they didn't show any signs of it.

For varsity football, this was a BANNER YEAR!!

# LOOKING UP

The freshman volleyball team, which only had one year's experience coming into the season, played hard and learned a lot despite the 3-8 record that showed in the score books.

With tough competition such as Kilgore, Athens, Lindale, and Palestine, who all had two years' experience as a team, the freshman ladies held their own.

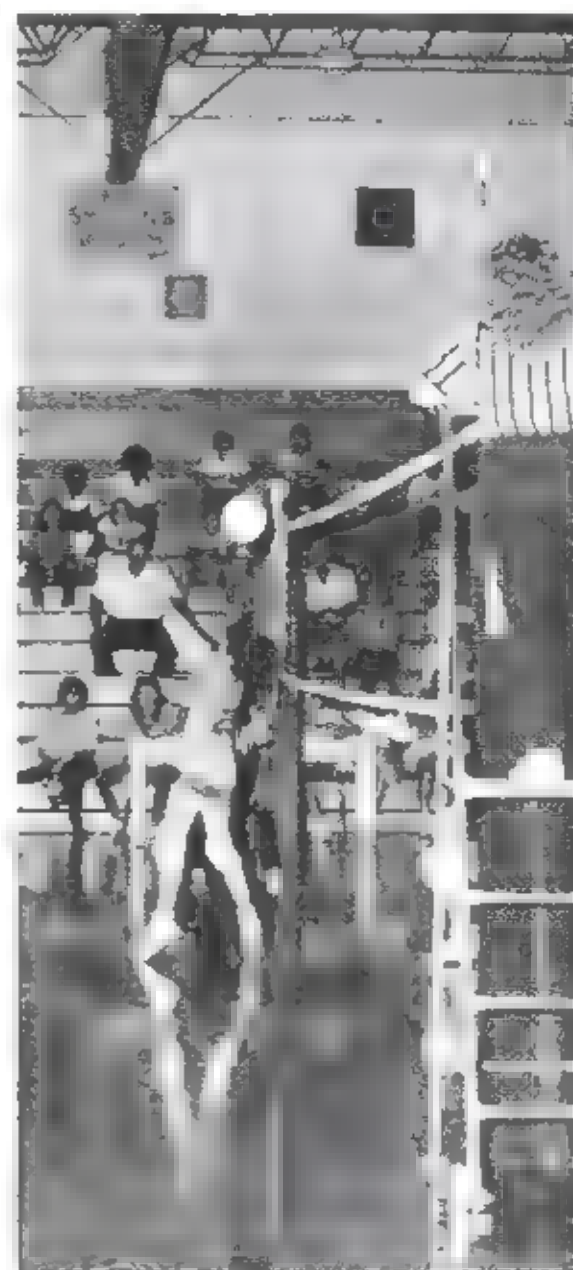

On the court they gave one hundred percent and all pulled for all; nobody was left out.

As they move up and mature as players, they may one day be district champions.

Royce Kennedy led the team in scoring (hitting 18.3 a game), was second in rebounds (5.5) and was named All-District. Rush Shirley led the team in rebounding (6.1) and Reginald Bush averaged 3.4 assists an outing. James Ford was second in scoring at 12.6. Bush and Ford were also nominated to the All-District squad.

Captains for this year's team were Eddie Francis, Larry Nicholson, Reginald Bush and Royce Kennedy.

"We had a good year," Coach Walter Dawkins said. "This team was only a few key buckets away from being super."

'Going into district the team was 13-2, having won the championship of the first annual Chapel Hill Invitational Tournament, and consolation champions of the John Tyler Tournament.

At the beginning of the season the team set goals of winning first place in all tournaments and the district championship. Although they fell short on the goals we set, I feel the guys all enjoyed themselves. I'm proud of the way they came together and never quit, no matter how the game out.

We finished district with a 5-5 record and 19 8 overall. The school and community should be proud of these guys. They gave it their all and they believed in themselves that they could win games. Trampas Bass and Joe Brumbelow led the team in the scoring column." Coach Alan Johnston

# Varsity Baseball:

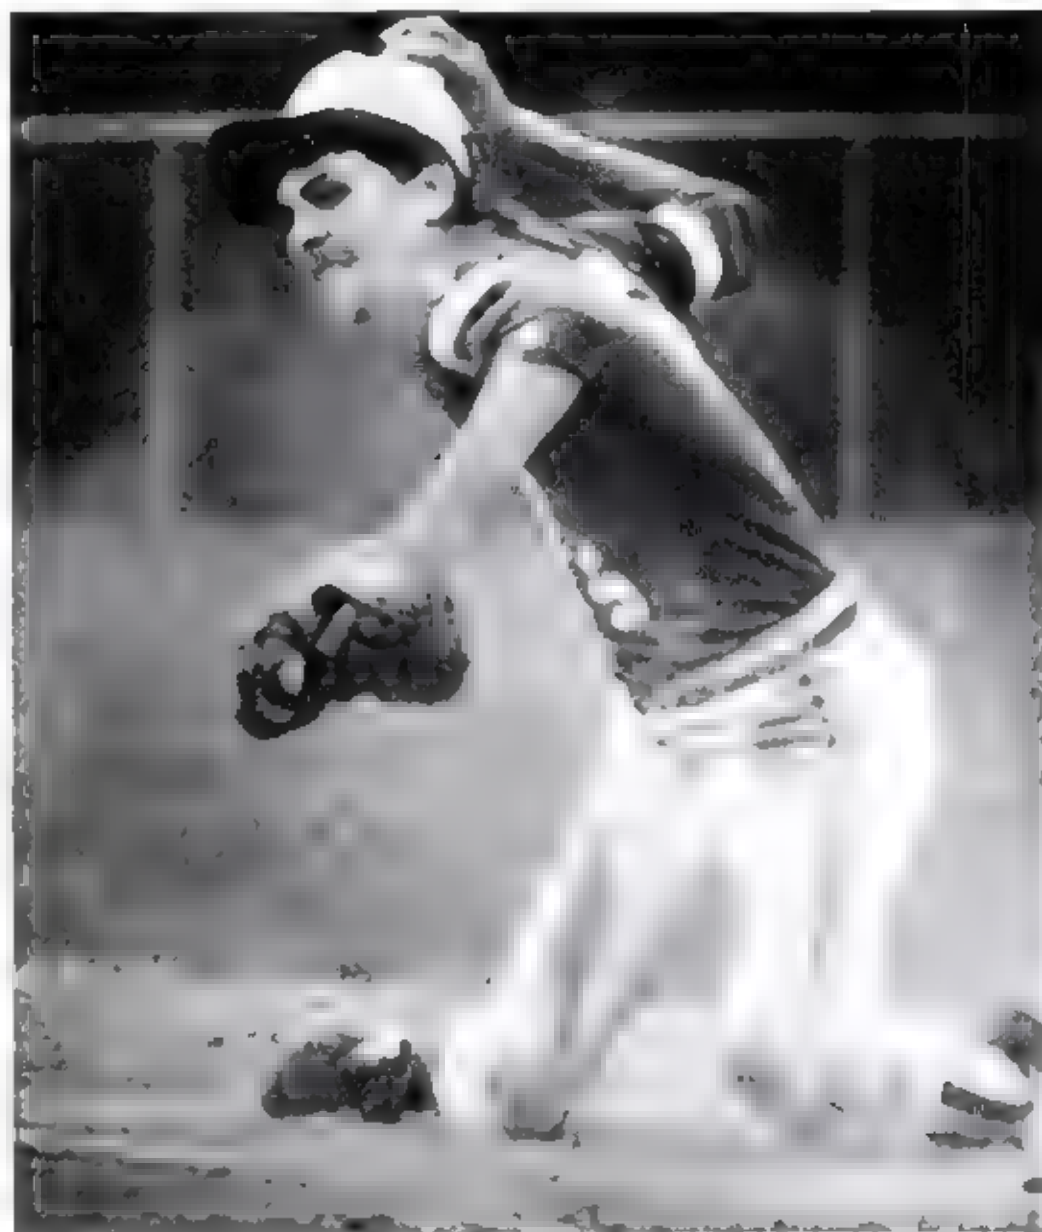

## A Hit for the Home Team

Chapel Hill has completed one of its most successful baseball seasons ever. There were such accomplishments as two tournament championships, Athens and Canton. Eddie Francis was voted Most Valuable Player in Athens and Richard Townsend in Canton. The Dogs were ranked number 8 in the state of Texas at one point.

The Bulldogs tied for second place in 8-4A South Zone with arch-rival Athens that led to a one-game play-off. The Hornets stung the Dogs 4-2 to end Chapel Hill's season. However, Chapel Hill won sixteen games to only ten losses.

The nucleus of the senior players has been starting since they were freshmen or sophomores, each year climbing the ladder to the championship level. Such players as Rodney Walton, Richard Townsend, Paul Walls, Eddie Francis, Tommy Ford, Rush Shirley, and Mike Barton know what it's like to be on the bottom and rise to the top. The additions of such players as Todd Crouch, James Ford, Walter Scott, and Chuck Johnson gave the strength needed to be contenders. Underclassmen moved up to the varsity to give help were Mike Campbell, Kyle Lindsey, and Lance Moss.

Chapel Hill once talked of winning more than they lost. Now the team talks about championship play. Success breeds success; the Bulldogs baseball team has planted the seed for success.

**DIVING GRAB.** Eddie Francis throws runner out at first

**BLAZING SPEED.** Rodney Walton steals another base

**BEATING THE TAG.** Richard Townsend slides safely into second base.

# Golf Teams Hit The Green

"The highlight of the year was Kyle Moore's second place medalist finish at the Kilgore tournament. This was probably the best competition we faced all year. Senior leaders James Gray and Kyle Moore will be missed next year. I have enjoyed working with these two young men. Newcomers Will Kinard, Gene O'Neal, and Daniel Armstrong will have to pick up the slack for us to be able to win in district competition."

"Vickie and Sherrie Gray were the two members of girls' golf who competed in district. Vicki and Sherrie improved their scores during district play but were unable to challenge for medalist honors. We didn't win any tournaments, but we certainly enjoyed competing with other area schools."

## 1986, Texas' 150th Birthday

*The 1986 Bulldog staff has continued the mood of celebration by choosing 'A Texas Classic' as the theme for this sesquicentennial yearbook. It is our hope that in the lifetime of the class of '86, this book and the people within will have become "Texas Classics."*

### *A Bid Farewell*

*up on stage  
the very last straw  
tassels turned  
the crowds applaud  
wondering where  
the time has gone  
time can't change  
it must go on

headaches tomorrow  
no time for sadness  
no time for sorrow  
soon enough  
our places will be taken  
memories will last  
dreams will awaken  
fantasies to live  
tales to tell  
but now is the moment  
to bid our farewell.
